Narnia... where the animals talk... where the trees walk. Where a battle is about to begin. Denied the right to his throne, a prince prepares an army in a desperate attempt to free his land from a false king. The story culminates in a battle of honor between two men who will determine the destiny of an entire kingdom. --This text refers to an out of print or unavailable edition of this title.

Clive Staples Lewis (1898-1963) fue uno de los intelectuales más importantes del siglo veinte y podrÃ- a decirse que fue el escritor cristiano más influyente de su tiempo. Fue profesor particular de literatura inglesa y miembro de la junta de gobierno en la Universidad Oxford hasta 1954, cuando fue nombrado profesor de literatura medieval y renacentista en la Universidad Cambridge, cargo que desempeñ Ã hasta que se jubilÃ . Sus contribuciones a la crÃ- tica literaria, literatura infantil, literatura fantÃstica y teologÃ- a popular le trajeron fama y aclamaciÃ n a nivel internacional. C. S. Lewis escribiÃ mÃs de treinta libros, lo cual le permitiÃ alcanzar una enorme audiencia, y sus obras aÃn atraen a miles de nuevos lectores cada aÃ o. Sus mÃs distinguidas y populares obras incluyen Las crÃ nicas de Narnia, Los cuatro amores, Cartas del diablo a su sobrino y Mero cristianismo. Este libro lo compre para leerselo a mi hija de 5 aÃ os y a ella le encanta la serie de Narnia. El libro es suficientemente simple para su edad y pudo seguirlo sin problemas. Mi Ãnica queja que es parte del texto, en general los dialogos estÃn traducidos al espaÃ ol de EspaÃ a. Dado que yo vivo en Argentina hubiese preferido mÃs un espaÃ ol neutro o Latino.

Good product, good service. Thanks!

i read these as a child and my mom had not had the opportunity read them. so i was really happy when i found them in spanish and she was able to enjoy them like me.

The price was fine but the quality and the condition of the book, although it was supposed to be like new, were not as satisfying as I was expecting, it was just okay. On the other hand, the seller was relly nice and he gave me a total refund.

I use this book with the same title in English for English as a Second Language instruction. It works for teaching Spanish, too. To improve your vocabulary and sentence structure, read each paragraph in the unfamiliar language, then check your understanding from the copy written in your native language.

Very good

I bought this book for my 11 years old daughter, even we saw the movie. She wanted to read it and compare with the movie. She loved both

Easy to read. We enjoy thr reading.
